week ago. He was colonel on the staff of Gov. McKinley from 1892 to 1896, and is a close friend to Senator Hanna, who is said to have requested the young man to make the race.

He was elected by over 8,500 plurality over State Senator Alfred M. Cohan, the Fusion candidate, together with the full Republican city ticket. There were six arrests for illegal voting.

GLADDEN

Wins His Contest at Columbus—Republican Stump.

Columbus, O., April 3.—(Spl.)—The result of the municipal election in Columbus is by no means satisfactory to the Republicans, although local conditions are responsible entirely for the fact that the head of the ticket was defeated by 508 votes. With this single exception all the other candidates on the Republican ticket were elected.

In the Councilmanic fight the Republicans elected ten members, the Democrats seven, with two independent candidates. One of these is Dr. Washington Gladden, a Congregational minister, known throughout this country and Europe as a reformer and a close student of progressive municipal government. Dr. Gladden consented to stand for the election at the earnest solicitation of his friends that he put into practical operation the theories of municipal administration that he has preached from his pulpit for the past ten years. He was supported by the representative men of his ward, irrespective of party lines, and enters the Council as the candidate of neither party.

The other independent candidate is Richard Reynolds, of the Twelfth ward. The fact the candidate, Judge M. B. Earnhart, who was a candidate for re-election, lost the city by 508 votes is offset to some extent by the fact that P. S. Lowry, Republican candidate for justice of the peace, was elected by 1,178.

The proposition to issue \$50,000 bonds for a new central market house was decisively defeated, and that to allow the Federal Natural Gas and Fuel Company to lay its mains in the city, was carried by a majority of more than 17,000 votes.

ALL REPUBLICANS.

Cleveland, O., April 3.—(Spl.)—The Republicans elected every man on the city ticket, by pluralities ranging from 7500 to 16425. The next council will be 14 Republicans and 7 Democrats. Thomas H. Bell for school director had a plurality of 10,055.

DEMOCRATIC VICTORY AT KENT.

Kent, April 3.—(Spl.)—D. L. Rockwell, Jr., was elected mayor by Kent Democrats today with 143 over H. J. Fox (Rep.). He is aged 22, the youngest mayor in Ohio. Others elected are: Clerk, Fred Bechtel (Dem.); treasurer, W. H. Bushnell (Rep.); marshal, Geo. H. Parkinson (Dem.); street commissioner, E. C. Sapp (Dem.); school board, W. W. Reed (Rep.), W. A. Denning (Dem.); council, C. E. Watts (Rep.), A. Dykes (Dem.), T. A. McMahon, (Dem.)

the Republican ticket, with S. F. Hanselman at the head as candidate for mayor, was elected today with pluralities over 2500. A large number of women voted for Mrs. C. J. Stanford, Republican, and Mrs. H. W. Riddle, Democrat, candidates for the school board, but both the Republican nominees, Mrs. Stanford and M. R. Furry, were elected.

AT BUSHNELL'S HOME.

Springfield, April 3.—(Spl.)—The Democrats swept the city today, electing for the first time seven out of twelve Councilmen. On the School Board the Democrats elected six and the Republicans six.

DEMOCRATIC COUNCIL AT MANSFIELD.

Mansfield, April 3.—(Spl.)—The Democrats today elected a water works trustee and a Justice of the Peace. The Council remains Democratic and the School Board, which for years has been Republican, is a tie.

GAINS AT ASHLAND.

Ashland, April 3.—(Spl.)—The Democrats made great gains here today. W. G. Helmann (Dem.) was elected Mayor over William Beren by 100, succeeding a Republican. The Democrats elected every Councilman, four

out of five assessors, township trustee and clerk, land appraiser, town treasurer, marshal and sealer of weights and measures. The Republicans elected Sherman Hull town clerk by 350.

REFORM DEFEAT AT EAST LIVERPOOL.

East Liverpool, April 3.—(Spl.)—This city, which elected a Prohibition Mayor two years ago, turned down Mayor Bough today and elected a Republican ticket throughout, from Mayor to the assessors. The fight was made squarely on the liquor and anti-saloon issue.

MIXED RESULTS AT WOOSTER.

Wooster, April 3.—(Spl.)—The Democrats elected four members of the Council, Republicans one. The township is Democratic by 75 majority. There is no political change of officials.

"WET" AT BEDFORD.

Bedford, April 3.—(Spl.)—Bedford went "wet" by a vote of nearly two to one. The Peoples ticket, headed by Noble S. Wood for Mayor, was elected.

YOUNGSTOWN GOES REPUBLICAN.

Youngstown, April 3.—(Spl.)—The municipal election in this city resulted in the choice of the entire Republican ticket by majorities ranging from 200 to 1,200, by which latter figure, Frank Brown, candidate for Mayor, is successful, the minimum figure representing the majority of C. J. Miller, candidate for Solicitor, W. A. Beecher, for trustee of the water works, will have a majority approximating 500.

FINDLAY REPUBLICAN.

Findlay, April 3.—(Spl.)—The indications are that Watson (Rep.) is elected Mayor over Nemeyer (Dem.) by 200. The entire Republican ticket is elected by a small majority except water works trustee. Commissioner for water works will run 300 ahead of his ticket.

DEMOCRATIC MAYOR AT PAINESVILLE.

Painesville, April 3.—(Spl.)—In the election of George W. Alvord, Painesville has the first Democratic Mayor in many years. The contest was close, Alvord winning from W. A. Breed by an estimated majority of 97 votes. Both tickets in the field were nominated by petition. Both were non-partisan and nearly every vote was badly scratched. At a late hour there still remained one precinct to hear from. Next to the heads of the tickets the greatest interest centered in the contest for marshal. D. J. Connell, the present marshal, won easily. George Morse and C. H. Prentice are elected in the village Council, with William Truby and W. L. Baker running neck and neck for third place.

ATTACK

Made Last Night by an Assassin,

Who Nearly Killed a Man Known and Respected by All.

At a late hour Monday night, there was an unprovoked assault made upon the person of an individual, who, in a very unobtrusive manner was attending to his own business. Besides this, the man is widely known and respected throughout this city and throughout the United States. He was assaulted by some one whose name is unknown to the authorities, and his face crushed and bruised beyond a state of recognition.

The man so grievously assaulted was standing in front of Oiler's cigar store, in the Walsh block, South Main st., and his name is Wm. Penn. The cowardly assassin sailed into the said William, and at the first blow smashed the gallant Quaker's nose. He followed this up by kicking the defenseless man in the vicinity of the abdomen, inflicting a rupture that causes the worst to be feared. Not satisfied with this, the fiend incarnate grasped half a bale of Bill's long hair, and pulled the same out with a large portion of the respected's scalp clinging thereto. A parting kick on one of the good man's legs broke the limb in two, and constituted the last blow that knocked out father.

Later—it is understood that the police have discovered a clew. A Republican candidate mistook Mr. Penn for A. J. Rowley, Esq., and endeavored to get even with Mr. Rowley for something he did during the "late unpleasantness."

Use Democrat want column. It pays.

Tickets for the carnival are for sale at F. A. Collins' drug store, 128 S. Main st., and at Col. J. C. Bloomfield's office, 182 S. Main st., Schumacher block.
